

Componenti per rubinetteria

Tap components

L'azienda che fu fondata da 3 fratelli è oggi composta da un organico di 100 dipendenti e produce articoli vari in ZAMA pressofusa su una superficie totale di oltre 12.500 mq.

Stilopress è specializzata nella realizzazione di articoli tecnici e a disegno per svariati settori (casalinghi, sanitari, illuminazione, ferramenta, ecc.) e nella produzione di leve monocomando per la rubinetteria (fornitrice abituale di importanti gruppi internazionali con leve personalizzate ed a catalogo). Qualità, servizio e rispetto dei tempi di consegna sono caratteristiche primarie della nostra azienda che ogni giorno punta al totale soddisfacimento del cliente.

Stilopress S.r.l. segue le procedure ed i controlli di qualità dettati dalle normative EN ISO 9001:2000. Un punto di forza della nostra azienda è la possibilità di realizzare internamente l'intero ciclo produttivo.

Siamo in grado di mettere a disposizione del cliente la nostra esperienza di oltre 50 anni di pressofusione e di consigliare modifiche in fase di realizzazione di nuovi pezzi che possano migliorare il risultato del prodotto finale.

The company, founded by three brothers, has got now a staff of 100 employees. Main activity of the company is the manufacture of die-cast ZAMAK items in premises covering over 12,500 sqm. Stilopress has been specialising in the manufacture of technical items and articles against customer's drawing for various sectors (household, sanitary, lighting, hardware areas etc.), as well as of single-drive levers for taps and mixers (being regular supplier of tailor-made and catalogue levers to important international groups).

Quality, service and observance of lead times are the prerequisites of our company, whose daily goal is total customer's satisfaction.

Stilopress Srl comply with quality procedures and inspections as established in the standards EN ISO 9001:2000. Our company's strength results from the possibility of performing the whole production cycle inside our premises.

We place at customers' disposal our over-fifty-year experience in die-casting and can recommend any adjustment during the designing of new pieces so to improve the outcome of final products.

Un continuo
e costante
aggiornamento,
la ricerca
di un design
sempre all'avanguardia
e la possibilità
di avere grosse scorte
a magazzino,
ci permettono di
garantire qualità
e consegne puntuali.

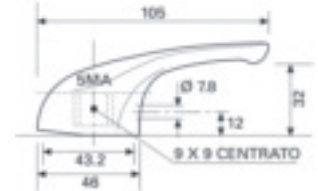

*The continuous and
steady up dating, the research
of an always new
and modern design, and the
possibility to have big stocks,
enable us to guarantee
quality and deliveries on time.*
